

POBALSCOIL NA BÓINNE
BOYNE COMMUNITY SCHOOL

Trim,
Co. Meath.
C15RK79

6th April 2021

Dear Parent/ Guardian,

We are delighted to have all our students back with us. I want to commend them on once again displaying such resilience and adaptability in how they have managed the changes introduced for these last few weeks. From speaking to students they are happy to be back in school and while I would love to think that the main reason is due to seeing their teachers, I am confident that the real reason is that they are able to spend time with their friends and peers.

It is so important that we work as a school community to guarantee that we can stay open and we kindly ask for your support in discussing this with your son/daughter. We have been reminding students constantly of the need to comply with all Covid health and safety measures. Please ensure your son/daughter has at least one clean face mask when coming to school, washes/sanitises their hands regularly and maintain social distancing. These also apply to lunchtime and while out in the yard. It is also so important that they stay within the designated area and follow the one-way system when moving around the school.

I am sure that students are eagerly awaiting the return to group sports and training. By complying with all measures and working together, we will do our part to keep case numbers down, in the hopes that our students get to enjoy sports again during the summer. To this end please remind your son/daughter that it is important to keep social contacts to a minimum over the coming weeks.

The return to school routine is always a challenge so I hope all students, parents and teachers enjoy a well deserved rest this weekend. Just a reminder that school is closed on Monday 19th due to a planned JCT In-service for staff. School lessons resume on Tuesday morning at 8:50.

Kind regards,

Jean Ryan
Principal
