Dear Parent/Guardian,

As Third Year students prepare to finish up their Junior Cycle education in Boyne Community School I want to take this opportunity to thank the students for all their hard work over the past three years. They have proven to be adaptable, resilient and good humoured in the face of so many challenges. I also want to thank you, the parents and guardians who have offered such support not only to your sons and daughters but also to us as a school. Your continued support and understanding is very much acknowledged and appreciated. In particular, during this last year, which has seen students return to online learning and once again face uncertainty with respect to their Junior Certificate.

Third years have nearly completed their final assessments and they will be finishing school on Tuesday 25th at 3:50pm. We are planning to hold a virtual awards ceremony for them in their classes that afternoon. This will allow us acknowledge all the hard work that they have put in over the previous year.

As per Department Guidelines Third year students will receive a normal school report in the coming weeks, this will be accessible on VS ware. We will also post out a certificate of completion from the Department of Education. This will mark the conclusion of their Junior Cycle education.

I look forward to welcoming all students back next year into Senior Cycle to begin a course of study in their chosen programme. On behalf of myself and all the staff we wish you all a very relaxing, restful and safe summer.

Kind regards,

Jean Ryan  
Principal
