Dear Parent/Guardian,

As students prepare to finish up for their year in Boyne Community School we would like to take this opportunity to thank the students for all their hard work over the past year. They have proven to be so adaptable, resilient and good humoured in the face of so many challenges. We also want to thank you, the parents and guardians who have offered such support not only to your sons and daughters but also to us as a school. Your continued support and understanding is very much acknowledged and appreciated. In particular, during this last year, which has seen students return to online learning.

Students have nearly completed their final assessments and they will be finishing school on Friday 28th at 1:05pm as stipulated by the department and in order to complete accredited grades. Students will receive their school report in the coming weeks, this will be accessible on VS ware. We will be acknowledging students hard work and dedication over the next few days with a virtual award ceremony here in the school.

We look forward to welcoming all students back next year. On behalf of myself and all the staff we wish you all a very relaxing, restful and safe summer.

Kind regards,

Jean Ryan
Principal
