Dear Parents/Guardian,

Our November Assessments commence next Tuesday. All students have their assessment timetable; it is available on their Google Classroom Year Group Notification page. Please ensure that they have relevant equipment with them for exams, i.e. calculators, colouring pencils, rulers etc. Assessments will run until Friday. Students should have books with them for study periods, as with summer exams phones will not be permitted during exams.

We held a very successful Study Skills Week in school after midterm break. This was to support students in developing a study timetable, exploring different means of studying and reviewing how they learn best. Hopefully students have been working hard in preparation for their assessments. Please encourage your son/ daughter to complete all questions and give each exam their very best.

Our Fifth Yr., TY and LCA1 students will receive their Junior Cycle results on Wednesday next. Students will be presented with their results in school before lunch and **Fifth Yr., TY and LCA1 students will finish for the day at 11:50. All other students are in school as normal.** There are no buses running at this time so we would kindly ask parents/ guardians to make arrangements for their sons/daughters. Assessments continue for all groups on Thursday morning.

We are delighted to be hosting the Leinster Horse and Pony Rescue's Christmas Fair next Saturday, November 26<sup>th</sup>. This event will also allow some of our TY Enterprise students to showcase what they have been working on during the year. The fair starts at 12pm and runs until 6pm, your support would be most welcome.

Lastly, I want to wish all our Fifth Yr, TY and LCA1 students the very best for next week. I am confident that your hard work and determination through what were difficult times will have paid off.

Kind regards,

**Jean Ryan**
