24th February 2023.

Dear 2nd Year Parents/Guardians,

You are cordially invited to an online parents meeting at 7pm next Tuesday 28th of February 2023. This online information evening will be conducted by Ellen Corby, Consent-Ed Project Worker, who has been training students and teachers in Boyne Community School over the past year in a consent-based sexual violence awareness and prevention programme. She will be hosting this session for Parents that will outline the topics we have covered, and also provide information on supporting young people to stay safe online, including information for parents and guardians on online sexual harm, reporting and resources.

All 2nd Year students will have completed the 4 week programme by Easter. It is extremely important that you are fully aware of what we are discussing with your son/daughter in school so that the conversations can continue with you their parents at home. If you have any questions that you would like us to address specifically please email me adaly@boynecs.ie and we will endeavour to include them.

Below is the link for the zoom call. I really look forward to see you all next Tuesday, although no pressure to put cameras on at all!
