12th February 2022

Dear Parent/ Guardian,

As we reach our midterm break we would like to commend all of our Third Year and Sixth Year students for their behaviour during the recent mock exams. We are confident that this experience will help them to prepare for June 2023. We hope they take some time to have a well-deserved rest over the midterm and come back refreshed and ready to work for the weeks ahead. All details regarding the State exams in June and relevant coursework completion dates can be found on examinations.ie

At this point in the year we have now met with Parents & Guardians of all Year Groups. Sincere thanks for working with us in using the scheduler programme for these meetings. We would hope to use this into the future. While we will not have any more formal meetings this year please feel free to make contact with your son or daughters Year Head or our Home School Community Liaison Teacher, Roisin Lawless if you need our support in any way.

We would kindly ask for your support with regard to students purchasing and consuming energy drinks. We would ask that you speak to your son/daughter about this. The consumption of such beverages is linked with headaches, stomach aches, sleep deprivation, cramps and behavioural issues. Year heads will discuss this with groups and after midterm we will confiscate any such drinks if students bring them into school.

We would like to acknowledge those students that have worked hard over the last few weeks to improve their punctuality. Just another gentle reminder that school starts at 8:50 a.m.(8:40am-Friday) and resumes after lunch at 12:50 p.m., students should be in class before these times. All lates accumulated during the week result in detention after school on Friday afternoons, please remind your son/daughter that leaving the house a few minutes earlier could avoid 30 or 40 minutes on a Friday afternoon.

We wish everyone a very relaxing midterm break and once again thank you for your continued support.

Kind regards,

Jean Ryan
Principal
