31st of March 2023

Dear Parents/Guardians,

The Easter Holidays are upon us and we hope that Students and Teachers enjoy a well-deserved break. We had a great term with a special focus during March celebrating Seachtain na Gaeilge. With the support of the Green Schools Committee we focused on Fair Trade week. Sincere thanks to those who supported our Clothes collection, we raised €240 for the Green Schools Committee as they work on achieving their first Green Flag. I want to congratulate the LCA1 class who held a Car Wash event yesterday, raising over €400 for St Vincent De Paul. Further details on all school events can be found [here](#).

We have held Parent Teacher meetings for all year groups and we would appreciate your feedback on how you found the system of scheduling meetings. Please click on this [link](#) to complete a very short survey.

Please see the Website for important information from Bus Eireann regarding the [Bus transport scheme](#). We would also like to draw your attention to correspondence from the HSE with respect to the [HPV vaccination programme](#). All details regarding both are on the school website.

The period after Easter will see Third and Sixth year students turning their attention to practical exams. Leaving Cert Applied Students will also have a number of task interviews. Please ensure that your son/daughter is aware of dates for these exams.

When we return after Easter all year groups will be focusing on the run up to summer exams, with this in mind we urge students to ensure they have all relevant equipment for class and that homework is completed. Students should be in full uniform, please remember the PE tracksuit should only be worn on the day students have PE. We have had great success with tackling punctuality and this will continue after Easter, please ensure that your son/ daughter arrives to school in plenty of time to be prepared for the day ahead.

I want to take this opportunity to wish our Sixth Years the very best for their oral exams which will run over the Easter Holidays. Please check the exam timetable that has been shared with you and be sure to give yourself plenty of time on the day.

We wish everyone a very Happy Easter and once again thank you for your continued support.

Kind regards,
Jean Ryan
