Dear Parent/Guardian,

All parents/guardians of incoming first year students are invited to an information evening Wednesday **15th March** in the school gym from **7-8.30pm**.

This talk will be delivered by the Principal, the school's Guidance Department, and the Year Head. As we know that this is a huge transition for your children, we would like to give you as much information as possible before they join us next August. We will give you general information such as uniform, books, lunches etc. and we will also talk to you about subject choice for your son/daughter. There will be ample opportunity to ask any questions you might have, or speak to us at the end, should you wish.

We would **strongly** recommend that all parents/guardians attend this information evening which is designed to help you to support your son/daughter with their subject choice and their transition to Secondary school

Yours sincerely,

Guidance and Counselling Department
