

Transition Year Newsletter

Historical Tour of Trim

Transition Year students were welcomed back to Boyne Community School at the start of the new academic year. As part of our induction day, we visited a number of attractions our local area of Trim has to offer including the Yellow Steeple, the Tomb of the Jealous Man and Woman, Sheep Gate and Trim Castle.

Enterprise Idea Generation Workshop

Well done to our TY classes who attended Trim Castle Hotel. They took part in an Enterprise Idea Generation Day organised by Meath Local Enterprise Board. The workshop gave practical skills to enterprising students and gave them the opportunity to brainstorm and develop a business idea. We look forward to hearing about their great ideas.

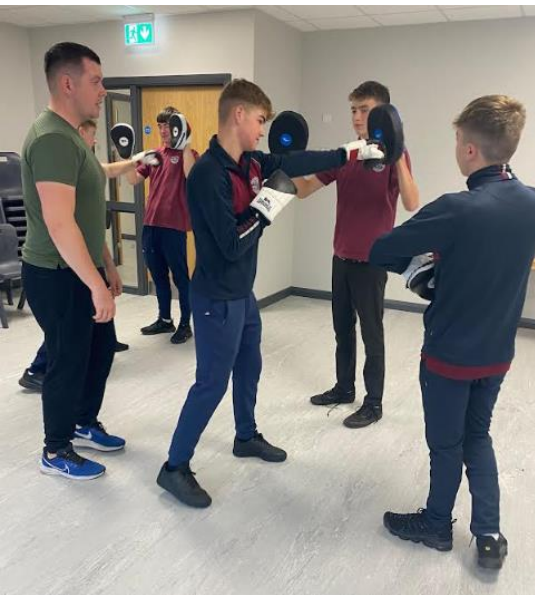

Trim Litter Picking

Well done to our TY class Cineáltas who made the most of the good weather and took part in some litter picking. All TY classes are working hard this year to keep Trim neat and tidy.

Self Defence Classes

Our TY students are enjoying their second week of Self-Defence classes. Mr McDonnell is focusing on the art of boxing this week.

Tanagh Adventure Centre – TY Bonding Trip

The transition year students had a very enjoyable time on their bonding trip in Tanagh Adventure Centre. The various activities included canoeing, rock climbing, mud slides and battle zone archery.

Driver Education Course

Our TY students have just completed their Driver Education Course. Each student had the opportunity to drive a car with an instructor, change a tyre safely, learn basic mechanics, experience 'beer goggles' and practice their theory test. The TY students really enjoyed the experience.

National Ploughing Championships

Our transition year students attended the National Ploughing Championships on the 21st of September as part of their Horticulture studies. Students really enjoyed the day out in Ratheniska, Co. Laois.
