Dear Parent/Guardian,

All parents/guardians of 6th year students are invited to an information evening on progression routes for their sons/daughters after they complete their Leaving Certificate. This information evening will take place on **Wednesday 8th November** in the school gym from **7-8.30pm**.

This talk will be delivered by the members of the school's Guidance Department, and will guide you through the many options available. There will be ample opportunity to ask any questions you might have, or speak to us at the end, should you wish.

We would **strongly** recommend that all parents/guardians attend this information evening which is designed to help you to support your son/daughter with their academic progression from second-level education and the process which that entails.

Yours sincerely,

Guidance and Counselling Department
