24th of May 2024

Dear Parent/Guardian,

As we approach the end of this academic year I want to congratulate our Third Year students who finished today following their awards ceremony to recognise their achievements in Junior Cycle. I would like to wish our Third and Sixth Years the very best for their upcoming exams. Remember to become familiar with your timetable, all accessible on <https://www.examinations.ie/>

I want to wish all our students well for their End of Year Exams. All First, Second and Fifth years now have their exam timetable for next week. Please ensure that they are familiar with the timetable and arrive on time for all exams. Students must bring relevant equipment for all exams. As is the practice in state exams students must hand up their phone at the start of all exams. Students have study periods built into exam schedules so they should have relevant books with them for these periods, phones will not be accessible.

The exam timetable will see a staggered finish for various year groups next week as follows;

Fifth Year students will finish on Thursday 30th at 11:50am (exception of LCVP & Applied Maths who have an exam in the afternoon)

Second Year students will finish on Thursday 30th at 3:50 pm

First Year students will finish on Friday 31st at 10:40am

Buses will not run outside of normal school times so alternative arrangements will need to be made for any early finishes.

Students have been asked to return all books to Ms Darby as they finish exams. We would also welcome any items of uniform that are in good repair. These can be handed in at the front office.

Students are also requested to empty their lockers over the coming week. As last year, we are not in a position to issue lockers to all students. Students who wish to avail of a locker again must sign up. We will send out a text with further details in the coming weeks. Lockers will be issued on a first come first served basis.

Kind regards,

Jean Ryan
Principal
