Dear Parent/Guardian,

During this academic year your son/daughter will have the opportunity to opt into many different events that will help them plan and make decisions for their future pathways.

Throughout the year your son/daughter will have the opportunity to have 1:1 vocational guidance counselling session(s) with their assigned Guidance Counsellor, participate in Careers classes, attend in school talks from various Higher Education Institutes/Further Education Colleges/Apprenticeship organisations, plus many more.

For the 2024/2025 academic year the Guidance Counselling Department will be organising a College fair that will be held in the school for both students and parents to attend. This college fair will host many HEI, FET and Apprenticeship organisations under the one setting. This will give students and parents the chance to ask questions and find out more about the many different opportunities available to them when they leave post primary education. For this reason Boyne Community School will not be attending the Higher Options event held by the Irish Times between the 25th - 27th September 2024. Other reasons for not attending the Higher Options include the timing and cost of the event.

We recognise that some students may still want to attend this event. If students want to attend the event they will need to purchase the tickets themselves from the following website; <https://higheroptions.irishtimes.com/events/59863?showItems=1> and make their own way to the RDS and back. Also students will inform the school they are attending the event and they will be marked as excused for the day.

If you have any questions regarding the above information please feel free to contact one of the school's Guidance Counsellors.

Kind regards,

Ms Barbara Eustace
