Dear Parents & Guardians,

Over the past few weeks we have held the following successful Parent/Guardian events in school;
11th of September – 7-8pm – *Parents Role in school development*- a talk with Rene O'Malley from the National Parents Council in the school library.

17th of September- 7-8pm- *Can an Adult Brain talk to a Teen Brain?* - Talk by Alan Shortt in the school library

25th of September- *Online session for First Yr. Parents*- Based on Motus workshops completed by students.

26th of September- 10am -*Coffee Morning in school* – Susan Mc Namara (HSCL)

We were delighted that so many of you could join us for the above occasions and we would hope that your engagement will continue as we go about forming our new Parents Association.

We will hold an AGM for the Parents Association on Tuesday October 1st at 7pm in the Library.

All parents/ guardians are welcome to attend.

We hope that we can build on the great work of our Parent Partnership group last year. One of the key recommendation from our recent Whole School Evaluation was the formation of a formal Parents Association. The Parents Association will be the voice of parents in decision making in the school, so joining the Parents Association gives you an opportunity to have your voice heard.

We look forward to seeing you on **Tuesday October 1st** and working together to support the development of the school in the best interests of your sons & daughters.

Kind regards,

Jean Ryan
